

WORSHIP 1

Worship one God. We worship our God by making time one day a week to come together in a community and worship Him. God designed this to be a time of rest and re-centering our lives on Him. In worship, God shows us His love by strengthening us through His Word, forgiving our sins, and restoring and renewing our relationship with Him and fellow Christians. We, in turn, respond in worship, praise, prayer and service only to Him.

LOVE 1

Love one person a day. God describes Himself as love. Every decision He makes comes from His deep love for us—to the point that He sent His own Son, Jesus, to die for our sins. That is a love that the world has never seen before or since. As we learn more about our Savior, Jesus, and His life on earth, we see His humble heart and His deepest desire to serve those around Him. He often cared for people we might not want to associate with, those others consider unlovable. He embodied God's love in acts of service.

PRAY 1

Pray one time every day. As a loving Father, God wants us to come to Him with any and all things - small or large, good or bad, thanksgivings or requests. He desires an open and close relationship with us, His children. Talking with God in prayer can be done anywhere, at anytime, silently or out loud. God promises to hear our prayers, and answer them according to His good and gracious will.
